THE HAPPINESS OF A HOME
THAT BRINGS
FAMILIES TOGETHER

A man and a woman are sitting on a brown leather sofa, laughing and talking. The man is on the left, wearing a striped shirt and light-colored pants. The woman is on the right, wearing a white sleeveless top and white pants, holding a white mug. They are in a room with large windows and many tropical plants, including palm trees. The lighting is warm and natural, suggesting daytime. The overall mood is happy and relaxed.

Dear Friends,

KAATYAYNI - is the sixth form of Navadurga, and hence the origin of the name - "Kaatyays Heights".

I, Rajeev Dube, son of Shri Ramesh Dube, was born and brought up at Parsi Panchayat Road in Andheri East. I started my career in real estate as a builder with Holy Cross Apartments, and thence I have made several other projects. I have developed Saraswati Apartments and Saraswati Towers at this very Parsi Panchayat Road vicinity, which according to local residents, still stands tall as a landmark project in the area even today.

All these projects have been built and delivered in a timely manner in Andheri East and Santacruz East west, cooperative housing societies, registered and conveyance of the land transferred to the respective societies.

Whenever I pass by Parsi Panchayat Road, I realise that the building industry has changed a lot. There are a lot of good, big projects all across Mumbai, be it in BKC, Parel, Khar, Santacruz, Malad, Kandivali or Borivli. This got me thinking why shouldn't I also develop such a lifestyle-enhancing project for my own people, with whom I have grown up and cycled around to school and Chhatra College here at Parsi Panchayat Road, and give the local residents an option to complement their ever-elevating lifestyle as well.

All of these above thoughts constantly drove me to take up this challenging project in my hands, and I have worked very hard and cleared many obstacles to obtain all the regulatory permissions required from the various governing bodies to realise this dream - immense amount of planning and effort have brought me to a point where I am able to give my family, my friends and all my well-wishers not only an affordable home but also a lifestyle makeover and an option to enhance their lifestyle.

In this project, I am able to offer you a 1 BHK apartment with two toilets, which makes life for a family much more comfortable. All the spaces have been designed so that all the main entrances of each apartment are vastu compliant and the total of each flat's carpet area equals an auspicious sum of '99', which is considered sacred by my numerous friends. However, the most important amenity, which is close to my heart as well, is a "library-cum-computer" room where our children can study and their teacher can come and teach them and help them grow up in their very own society in a wholesome environment. I am also offering my senior well-wishers a Religious Hall where they can pray peacefully.

There are other amenities as well, which are aimed to augment the lifestyle of every resident, which are duly explained in this brochure. All of these facilities will be delivered to you in full faith as the project unfolds in due course of time, subject to approval of competent authorities.

My promise to all of you, my dear friends, is that in the coming years, this project will become a new landmark in this area and you will feel proud to own your own home in this project.

The way my first patron, Mr. Mewada & family, trusted me to start the development of the Holy Cross Apartment project, I have always felt extremely grateful towards the faith bestowed upon me for the same. Similarly, the families of Mr. Dhruvhai Samant, Mr. Babubhai Savlis, Mr. Bhagubhai Samani, Mr. Meghijibhai Prajapati, Mr. Bafana as well as Mr. Patali and Mr. Shah & family's support and belief in me and my abilities to develop the Saraswati Towers and Saraswati Apartments has been instrumental. Also, well-wishers like Mr. Malviya, Mr. Singh & Mr. Pandey among others, who became part of my other projects namely Kaatyayni Residency (MIDC), Gayatri Apartments, Bhagwati (Chawke), Kaatyayni Enclave (Santacruz East) and other projects, has been a great inspiration for me to develop high quality residences for you.

I, in all my humbleness and honesty, am happy to offer my fellow residents at Parsi Panchayat Road this project called "KAATYAYNI HEIGHTS". I seek your support and blessings and invite you to become a part of the Starwing family and help make Kaatyayni Heights the next milestone of our vicinity.

I, with my whole heart and the integrity of a lifetime of experience, am offering you an affordable home accompanied with a lifestyle upgrade which I strongly believe will bring enormous Happiness and Prosperity in to your lives.

Truly your own,

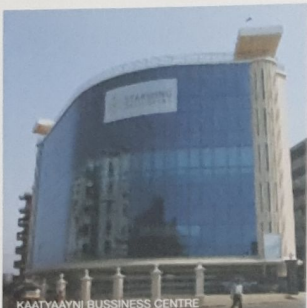

Rajeev Dube (Pappu)
