Agrawal Builders & Developers is a name synonymous with the premium real estate projects. A trusted name in the fraternity, it is a brand known for its innovative approach towards the construction of high-end living spaces. They have constructed over 10 million sq. ft in the last 30 years. The company is a member of Maharashtra Chamber of Housing Industry (MCHI) – CREDAI, Navi Mumbai, a prestigious organization for compliance of ethical practice in the area of building and construction for all builders and developers in Maharashtra. The Chairman - Trustee of MCHI Navi Mumbai.

**Proudly holding a Bachelor's Degree in Engineering, the founder of Agrawal Builders & Developers; Mr. Rakesh Agrawal is one of the proud shareholders of the company.** After successfully achieving intense industrial experience in one of the largest firms in India, he decided to stand on his own. This was the year 1981 when inception of the company took place. His dynamic persona, optimistic thoughts, futuristic vision and dedication towards the company's goal has been taking their organization to newer heights of prestige. The company has been hitting every benchmark of progress and this enthusiasm has made him the back-bone and sole reason for the success of Agrawal Group of Companies.
