# ENLIGHTENED BY THE BEAUTY OF THE LOTUS

Welcome to a place that incorporates more closely integrated residential and commercial needs. RajKamal has attractively equipped 1 and 2 bhk residences in Borivali West. Located next to Link Road and the upcoming metro station, the building offers convenience in connection with modern amenities, shopping and a lot more. There is more than meets the eye as it offers everything urban alongside an uninterrupted view of the splendid city skyline and the Gorai Pagoda.
