CREATING LANDMARKS[™]

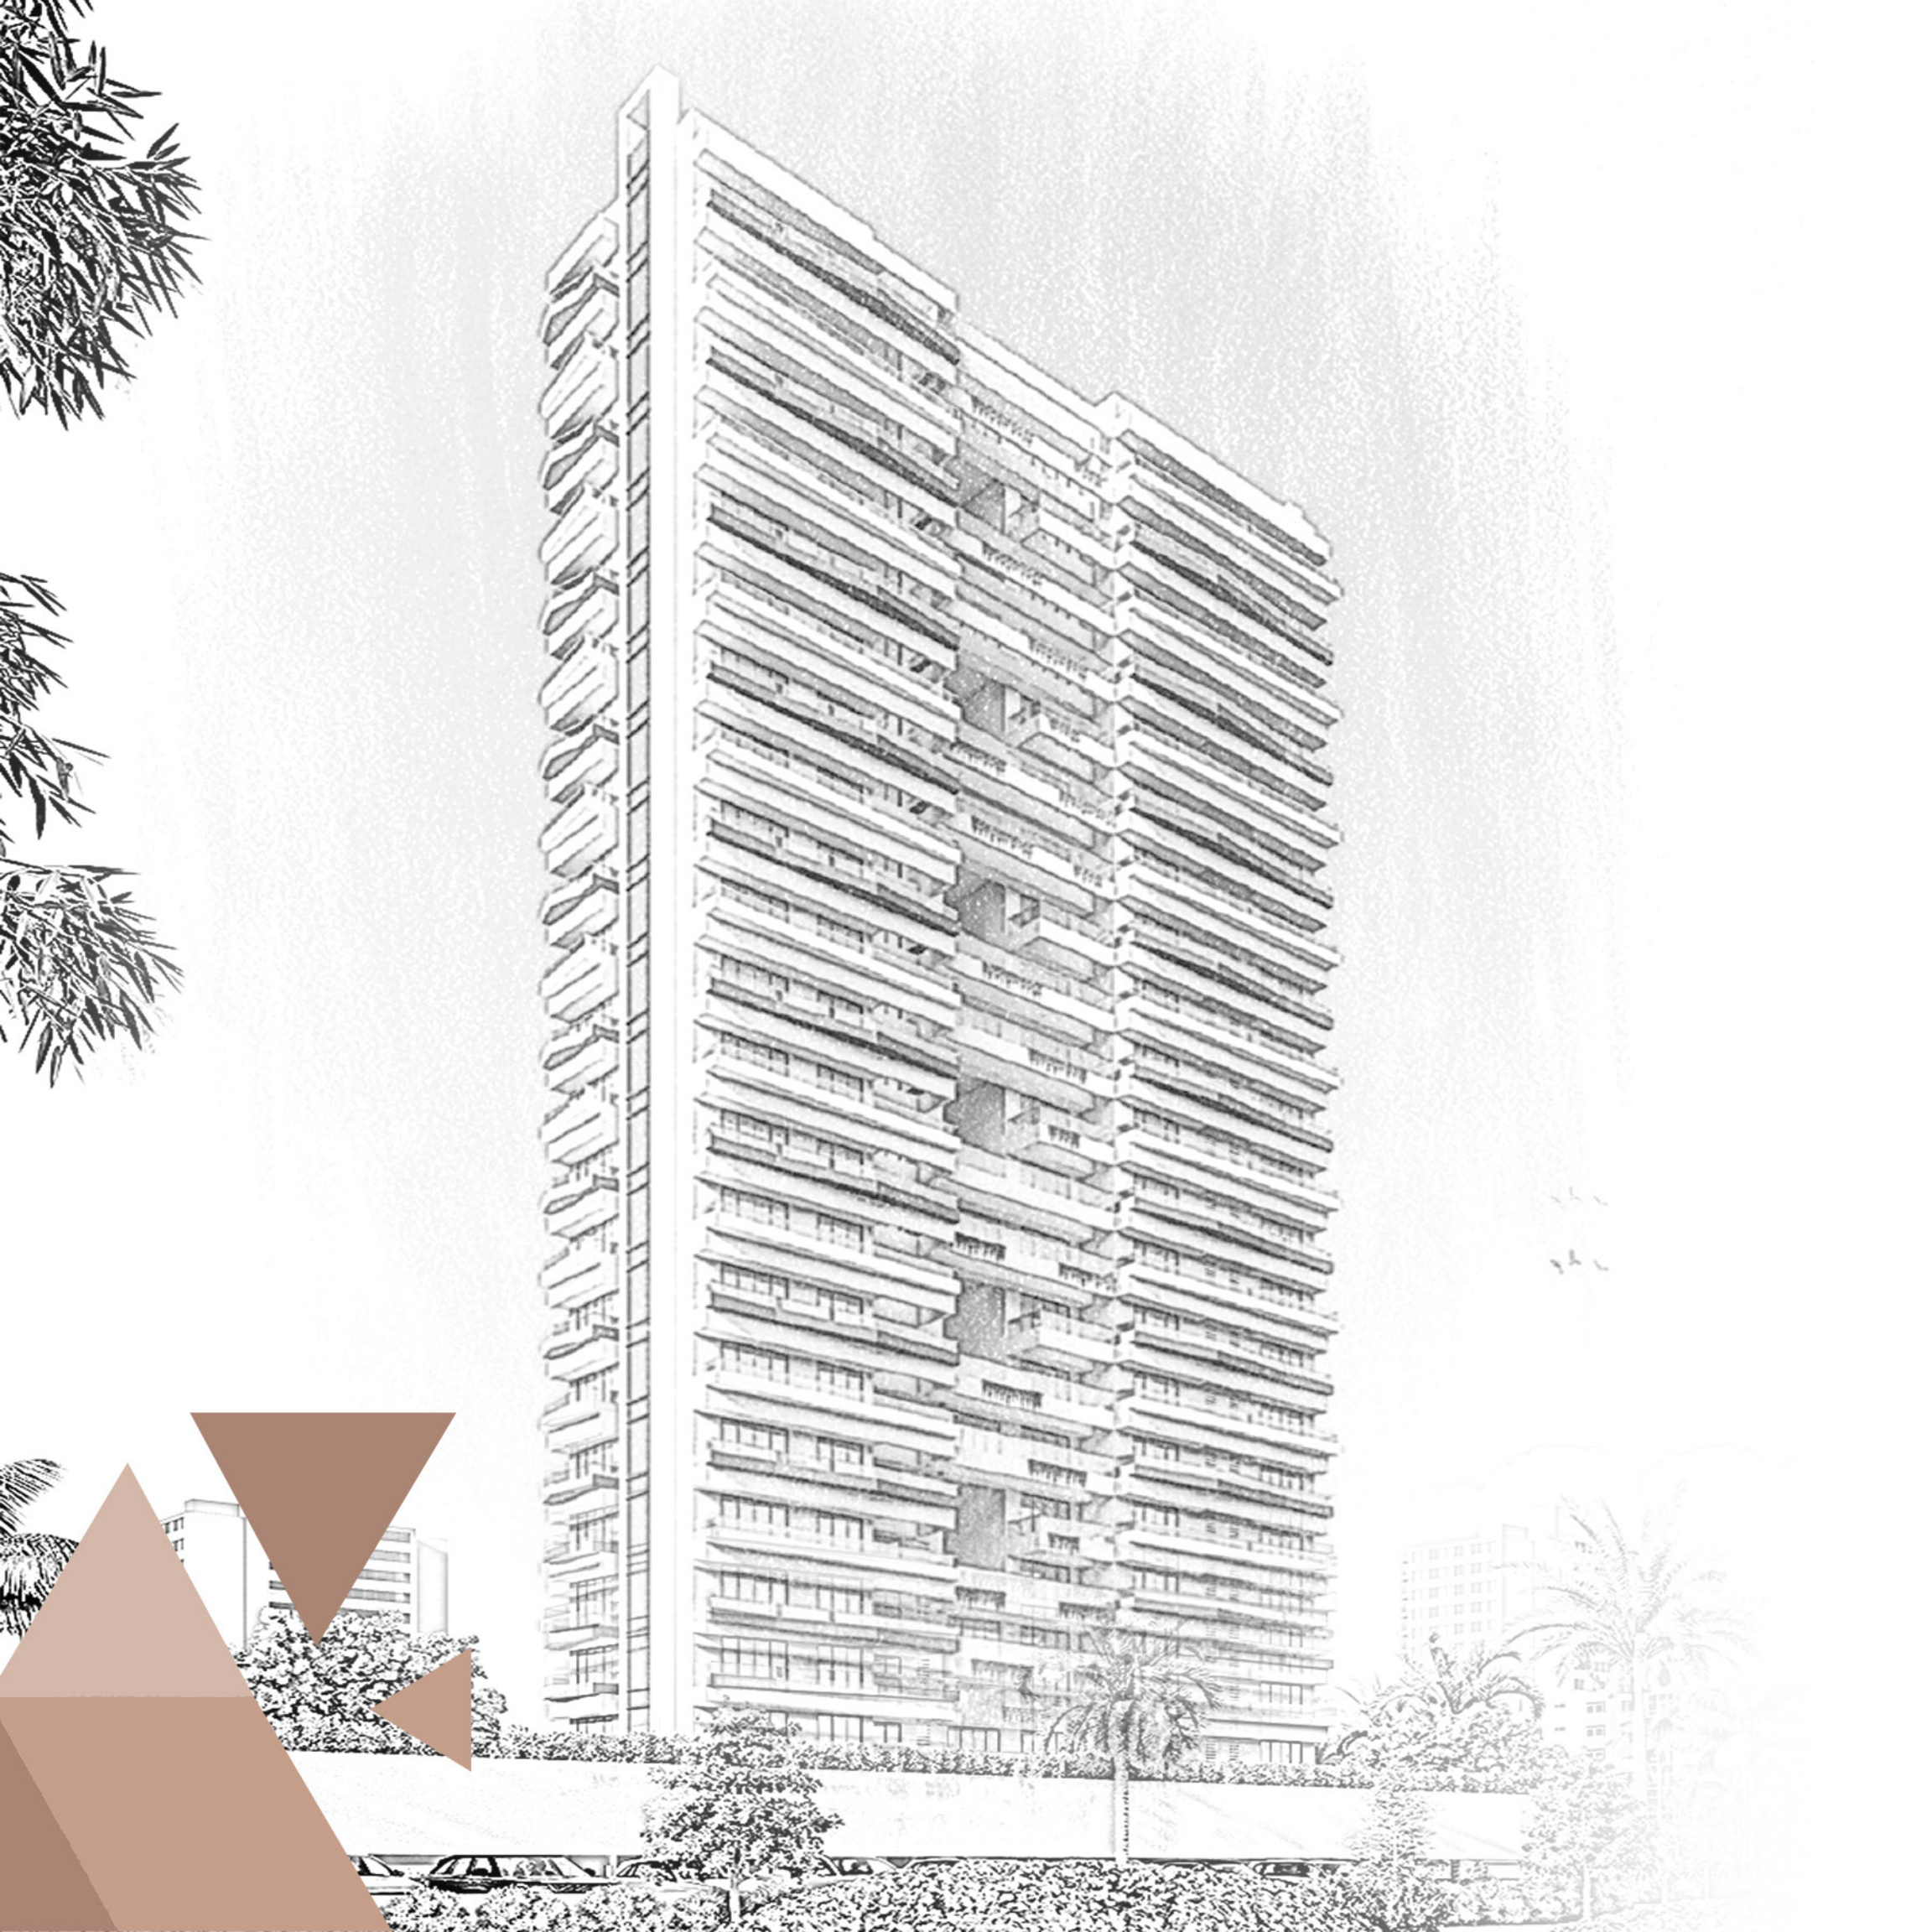

BEYOND ALL EXPECTATIONS

We've been a trendsetter in Mira Road. Our developments have always been ahead of their times, offering solutions for quality living. We are committed to quality, best Customer service and deliver as per commitments. We have pioneered some of the best-known complexes in Mira Road, such as Jangid Complex and Jangid Estate. At a time when Mira Road carried the image of three-storey buildings of substandard quality with scarce amenities, we were one of the first to offer seven-storey buildings with lifts and ultra modern amenities, creating a landmark. Later, our Flagship projects Jangid Tower and Yamuna Tower, being first ever 14-storey towers, created history in Mira Road, and a landmark again. Jangid Heights in Thane followed the pool of bench marked projects.

Our complexes are truly a reflection of quality living and standard lifestyles to match with the contemporaries. Our buildings comprise of good architecture, appropriate designs and the best safety features. We follow international quality construction standards. In nutshell, Jangid means Value for money.
